

**53<sup>rd</sup> World Congress of Chess Composition**  
**Crete, Greece, 16-23 October 2010**  
**Long Composing Tourney**  
**Judge: Chris. Feather (Great Britain)**

Helpmates in 3 to 4 moves are required with **at least** two phases (solutions or twins, no set play, no zero-positions, no duplex). Fairy pieces are allowed, but fairy conditions are not. In the diagram position, White has **at least** 3 pieces: the king, a normal (not a "fairy") queen and another orthodox or fairy **piece** (pawns do not count as pieces). In addition to these three required pieces, White may have other pieces and/or pawns with no limitation.
